WORK EXPERIENCE

Application Developer

Risk Placement Services, Inc. | 2019 – Present

- Lead developer facilitating the testing and upgrade of all software integrations to AIM (v17.3 to v20.1), a management system utilized by all insurance producers
- Revamped the front-end design of 2 applications by interpreting and implementing marketing's Brand Style Guide to unify and harmonize the look and feel of all RPS websites
- Reduce new hire on-boarding time by 50% through the creation of thorough, developer specific, documentation
- Maintain web portals, system integrations and other custom development requests for the various business units

Waitress

City Mouse - ACE Hotel/Atelier Ace | 2017 - 2019

- Provided prompt, courteous service, selling over \$1,500 per shift on average
- Perpetually was able to up-sell customers, often increasing total personal sales by 100% per shift through extensive menu knowledge and wine pairing suggestions
- Recognized for building and exceptional rapport amongst a diverse range of customers – have received 4 positive reviews on open table and yelp

Microbiology Graduate Teaching Assistant

DePaul University | 2014 - 2017

- Lead 2 laboratory sections per week for 8 academic quarters, totaling 480+ students
- Assisted professors in developing and administering course and laboratory exams/exercises, grading, and other miscellaneous projects
- Consistently achieved over 95% positive feedback on availability and willingness to help students and instructional techniques from students and faculty members

VOLUNTEER WORK

Northwestern Full Stack Development Bootcamp | 2020

- Invited twice to return and speak about my experience during the bootcamp, interviewing, and the work force
- Offered constructive criticism to students for group project presentations

Lane Tech College Prep High School STEM Science Fair Judge | 2016

- Assisted in judging and giving feedback to high school students accepted in the STEM program

DePaul Undergraduate Research Showcase Judge | 2015 - 2016

- Provided feedback and suggestions to undergraduate research presented 2 years in a row

Chicago Area Undergraduate Research Symposium Judge | 2014 - 2016

- Critiqued and scored undergraduate research posters and oral presentations 2 years in a row at one of the largest annual undergraduate research conferences in the country
